

D LAZY T RANCH

3rd Angus Production Sale

1 p.m. MST | Friday, January 12, 2024 | Faith Livestock Auction, Faith, SD

Welcome to the 2024 D Lazy T Ranch production sale! We are extremely grateful for our customers, friends, and family who have shown support of our dream to produce the best breeding cattle that we possibly can. The outpouring of interest in our program has been very humbling.

Our focus has been and always will be on building the optimal female that will thrive in all environments. With the rising costs of production, it is more important than ever to maximize performance while reducing input costs, and the bulls and heifers in this sale reflect that idea. Our breeding program places heavy emphasis on maternally superior females, using proven elite donor cows to accomplish this. The sires that we have been mating these to are carefully selected to produce high-performing, fertile, easy-fleshing cattle that are problem-free and profitable. The last thing we need now is guesswork.

Thank you for considering us for your seedstock source. We are genuinely excited for the future and above all, we are looking forward to a lifelong friendship with our customers and fellow cattlemen.

Sincerely,

Bucky and Marti Jo Derflinger
